Subject: Future Franchise Opportunities

Dear Sir/Madam:

At the present time we are in the process of completing the necessary documentation in compliance with the Federal Trade Commission regulations on franchising. As soon as these documents have been completed and filed with the necessary state regulatory agencies, we will be in a position to talk with you about a franchise.

We greatly appreciate your interest and assure you that we will be contacting you as soon as our legal compliances have been met. Until that time, we are prohibited by law from engaging in any discussions concerning franchise fees, royalties, start-up costs or any substantive information about our franchising program.

We hope that you will be patient and continue to be as interested in our company as we are interested in further dialogue with you.

Sincerely,
